# The Many Faces of Lambs Farm

Lambs Farm is a place where people grow.

Lambs Farm is also a place where an idea has grown. From its simple roots as a pet shop on State Street in 1961, it has grown to what it is today. It is a place that is grounded in love, dignity, and respect, and rooted in the belief that there had to be a better way. It is about the value of hard work and about giving people with developmental disabilities the opportunity to make a contribution to society and to live as independently as possible.

## Get to know the many faces of Lambs Farm.

We encourage you to open your hearts to see the love and goodness inside all people. Just as Lambs Farm is a place where people with developmental disabilities grow, it is a place where all people grow. Please help us keep the spirit of Lambs Farm alive and growing.

*Helping people with developmental disabilities lead productive, happy lives and connecting with the human spirit in us all.*
