Libertyville, IL – As a nonprofit organization, Lambs Farm depends on partnerships to fulfill our mission of helping people with developmental disabilities lead productive, happy lives and connecting with the human spirit in us all. Numerous individuals and corporations join us every year to help our men and women grow because they believe in our mission and the difference we make in their lives. Lambs Farm is proud to announce that ShredStation Express is our newest strategic partner.

As part of their ongoing support of Lambs Farm and its Participants, ShredStation Express will donate a portion of their profits to our numerous vocational, residential and recreational/social programming. “Everyone at ShredStation Express is very excited to be partnering with Lambs Farm,” said Angela Levin, ShredStation Express’s President/Owner. “We consider it an honor to be working with such a devoted staff of professionals who have dedicated their lives to carrying on the mission of providing adults with developmental disabilities a fulfilling and rewarding life.”

In addition to their regular ongoing support, the company will hold two Got Shredding? Days events on the Lambs Farm campus. The first event is scheduled for Saturday, May 21, 10 a.m. – 2 p.m. ShredStation Express will shred documents for a donation to Lambs Farm. A second shredding event will be held September 24.

“The dedication to improving the surrounding community shown by ShredStation Express, its owners and employees should serve as an example to the business community,” said Dianne Yaconetti. “We are proud to partner with them and look forward to working with them for many years.”
