

discover lambs farm

Lambs Farm is a place that provides all of the essential ingredients for people to grow: a safe, caring, living environment; an extended family of peers with shared values and mutual respect; opportunities to have productive employment and to make a contribution to the community while being as self-sufficient as possible.

To our residents, Lambs Farm is home, and a place they are proud to share with our visitors. To our visitors, Lambs Farm is also a place to grow through enriching experiences with people with developmental disabilities while also creating lasting connections with their families and ours.

We strive to maintain exemplary vocational, residential and recreational programs, and to operate our organization in a manner that will continue to help people grow.

We invite you to stop by our other businesses during your visit.

magnolia café & bakery

A full menu of delicious dishes and baked goods. Also serving banquets, parties and meetings.

sugar maple country store

All of our tasty treats are made right here. Choose jams, sauces, cookies, chocolates and more.

dogwood garden & pet center

family fun for all!

Stroll through the farmyard and visit with horses, llamas, goats, potbelly pigs, miniature cattle, equine, sheep and more at Lambs Farm petting zoo. With an abundance of animal friends to visit and learn about, there's no telling which one will be your favorite! Stop at the small animal pen to have a close encounter with a rabbit or chick. Visit the Discovery Center to see how you "measure up" against some of the animals in the Farmyard. Of course, your visit isn't complete until you've stopped by the petting area to see the sheep, lambs, goats and kids. Round out your visit by playing mini golf or riding the miniature train. Children will delight in a ride on the carousel with brightly colored horses and music, and laugh with glee in the cow bounce house.

group visits

The Lambs Farm Farmyard is a great place for groups - big and small! Whether you're part of a school group, company outing, field trip, church group, event or something else, we can make your outing memorable. Groups can schedule visits in advance and receive special rates and packages. For more information, call our field trip coordinator at 847.990.3864.

season memberships
